COMMANDER'S MINUTE

What a great year the Post has had with our expansion of the pavilion, the increase in the Centurion Battalion Unit and completion of many task around the Post. Vice Commander Dress continues to work diligently to provide programs from Easter Egg hunt, Four Chaplain's service, Yard Sale, to our MONTHLY Breakfast in which the VA Nursing Home members come by bus. Thank you Vice Commander Dress for keeping us OPEN and ACTIVE.

End of year school awards are almost ready to be handed out. I will have a list at the next general meeting and WE NEED YOU to HELP. This is a way to promote AMERICANISM in the schools and as we all know from the media we need to stress AMERICANISM to both youth and adults alike. Please signup to help deliver these awards, Sgt-at Arms has already completed the UCF ROTC this month, thank you James Middlekauff.

MEMBERSHIP: We currently have 186 members of the post but only 140 have registered for this year. That gives us a **percentage of 75.2%** which is way behind last year. The membership goes from July 1 to June 30 the following year. It IS NOT TO LATE to get this 2015-2016 membership please forward you dues to the post and just a reminder it is only \$38.00 which is about .10 cents a day. The membership helps to fight US Congress, State legislature in maintaining your voice for YOUR benefits. It also helps the POST operate to help the four pillars of the American Legion which includes you.

While reading numerous articles I am amazed at what the government is continuing to do to our Veterans, Active duty members of the Armed Services in reducing the operating budgets, elimination of equipment and yet expecting more with less. Your voice needs to be heard with you calling all your representatives and expressing the need to maintain a military along

We are entering the final months of our year for the American Legion. Since our year begins again on July 1, 2016 you may need to make sure you are current. We still need to have 46 members to renew before June 30th. If you are one please drop off your dues \$38.00 at the post or mail it in.

We are active but we need YOU to help especially during the school presentations. It will only take a few minutes to show up and present these YOUTH of TODAY and maybe LEADERS of TOMORROW that it is the Veterans who allow them to go to school because of the sacrifice of others. As in the Jan.-Feb newsletter the poem written by Kelly Strong "FREEDOM IS NOT FREE".

May 1, 2016 will be the 13th Awards Ceremony for the Centurion Battalion USNSCC. Our Cadets need your support by showing up at THE GENEVA SCHOOL, 2025 SR 436, Winter Park at 2:00 P.M.

Mother's day celebration will be held on May 8, 2016 from 1:00 P.M. to 3:00 P.M. and we will provide coffee and snacks along with great conversation.

May 28th will be our monthly Pancake Breakfast however the VA Nursing Home members will not be present due to a prior engagement at Lake Nona. But that means there will be more for you and your family.

May 29th at 11:00 A.M. we will be holding our annual Memorial Day Service and it would be great to have each of you present for this ceremony. This is a time we can honor those who have gone from our ranks both while on duty and since becoming a veteran.

June 14th is FLAG Day, Please show your patriotism by flying you flags and if you need one we have some for sale at the post at cost.

Department Convention will be from the 16-19th of June and if you have not been to one you have missed an opportunity to learn more about what the American Legion can do for you.

June 19th is FATHER'S DAY remember yours, we will once again have the doors open to celebrate this day from 1:00 P.M. to 5 P.M. for coffee and snacks.

PLEASE LOOK AT THE POST CALENDAR ON THE BACK FOR ALL EVENTS.

Notes From the Adjutant's Desk

Ladies and Gentlemen,

We are coming to the end of another fiscal year. In June, we begin fiscal year 2016-2017. Our fiscal year and our membership year are NOT THE SAME. Membership runs on the calendar year but the Legion's business year runs from July 1st to June 30th. Don't ask me to explain it as I don't have the answer. It was done some time ago, before my time. However, as you have seen mentioned elsewhere, our membership numbers are down.

On a similar note, I have had several members send in duplicate membership dues. The sequence of events when you pay your dues is: I post them here and send them to Department; the Department posts them and sends them on to National; and then National posts them and sends note to the company that handles mailing the renewals. Renewals are sent out for those members whose information has not followed

completely as I showed you. There are a couple of periods of delay and anywhere in the process it can cause the renewal notice to be resent even though you have already paid. While it is not a perfect system, it is what we work with. At some point in the future, we can hope that most of it will be automated. One way to "beat the system" is to pay your dues on line. When you pay on line, you get a temporary card immediately to print and the Post gets notified that you paid and we will issue the regular card and Gerry will call you to come pick it up, or we can mail it to you.

Our Sea Cadets came out on top! We provide the internet for their gateway into the competition and we recently upgraded our internet connection to help them along. Congratulations to the Sea Cadets! They continue to make us proud! And a special thanks goes to their Commander and ours, Commander Billy Dover Jr.

In late February, our Unit invited young women from five different high schools to interview for Girls State this summer as our delegates. Our delegate is a home schooled young lady from Geneva and our alternate is from Lake Howell High School.

Our Unit debuted our new banner at the recent Post Yard Sale in March.

We'll be able to use this promotional tool when we participate in community events.

Later in March, our Unit assisted with the Post's annual Easter Egg Hunt. Lots of little ones enjoyed finding the eggs hid-

den around the Yard.

Congratulations to Gerry for another

fun event for our community's children.

In April, our Unit formed its Nominating Committee and we are pleased to announce the proposed slate of officers: President—Marge Berrios Vice President—open Secy-Treas—Nell Colbert Chaplain—Debi Shannon Historian—Aunita Padgett Sgt-at-Arms—open

We do have a couple of open positions. If you are interested

in serving, please contact Nell at 321-303.7446 **BEFORE** the May meeting so your name can be added to the slate as we cannot take nominations from the floor during the election. Our officers will be elected at our May meeting on the 10th.

Poppies are coming. Aunita will be coordinating our booth at the Px on May 21st and Marge will be coordinating our efforts at Oviedo in the Park on 5/30. We will also have Poppies available at our meeting on May 10th and at the Memorial Day service at the Post on the 29th. Please help with our booths if you can!

Sea Cadet Update: Billy Dover

CENTURION BATTALION FINAL DRILL

The Centurion Battalion will complete its thirteen drill season on May 1, 2016. Let us first thank the American Legion Post 112 for your support and allowing us to utilize your facilities. The efforts of your members and especially Vice Commander Dress "Grandpa Jerry" has meant a great deal to each cadet and staff members.

During our annual inspection we received a 3.96 out of 4.0 which means we should be in the top ten in the nation. This was through the efforts of the administration staff and the cadets. As the Cyber Patriot teams completed many extra hours on Wednesday and Saturday's it has paid off as you will note later on in this report. This was made possible by having dedicated members of the Battalion and YOU the Winter Park Post 112. This year we had two Junior high and one high school team. The JR's were learning but the High School team. Well ... just read below.

CYBER PATRIOT—This week, teams from Centurion Battalion and Fort Fisher Division competed at the Cyber Patriot VIII National Finals in Baltimore, Maryland. To give some perspective, only the top .8% of teams make it to National Finals; on a percentile basis, it's harder to get to this competition than it is for an NCAA basketball team to make it to the Fi-

nal Four.

Both of our teams performed well with **Centurion Battalion placing first in the nation** in the all-service division. Centurion Battalion is the first Navy-associated team (including JROTC) to place first in the competition's history. Each cadet from the winning team received a \$2,000 scholarship. BRAVO ZULU to our cadets from Centurion Battalion, who were led by their team captain CPO Peter Steffey: CPO Nolan Johnson; PO1 Sam Precourt; SN Monica Vogel; SN Leilani Morales; SA Jacob Dawson; ENS Ken Steffey; INST Chris Walcutt; MIDN Jesse Rodriguez; and INST Rachel Thompson.

With that stated it would be an honor to have all members attend the Awards Ceremony at THE GENEVA SCHOOL on May 1, 2016 @ 2:00 P.M. The school is located just North of Aloma Avenue on SR 436 in Winter Park. Once this is completed the cadets are already preparing to attend many trainings this summer from Recruit Trainings to advance trainings.

Respectfully Submitted:
The Cadets and Staff of Centurion Battalion
USNSCC

The Chaplain's Prayers

In the BIBLE we see in both the OLD and NEW TESTAMENTS how influence, politics, diplomacy and government have tried to change the world. Ultimately it is up to GOD to either keep it or change it! In the book of Genesis chapter 19: GOD gave the city of Sodom and Gomorrah a chance to survive however GOD keeps his promises: 19:24 **Then the LORD rained upon Sodom and upon Gomorrah brimstone and fire**

from the LORD out of heaven; vs 25 And he overthrew those cities, and all the plain, and all the inhabitants of the cities, and that which grew upon the ground.

The question is if our country becomes the NEXT Sodom and Gomorrah what can we expect to happen. We have always learned that history repeats itself. My prayer today is GOD protect us and show us the truth by shining

your mighty light upon us. Wake us so that we may follow you instead of those who lead us astray.

Please remember our Service Personnel both Home and Abroad daily along with our Veterans and even those who make the laws that we live by. May GOD BLESS each of you and remember our Mother's and Father's on their special day but also daily.

FOR GOD AND COUNTRY
Billy Dover, SAL Chaplain

Son's of the Legion: Bob Colbert

We are ending the 2015-2016 year on a high note! While we have not had that much in the way of activities due to our small size, we have added some more members. We are also planning the 2nd annual Legion Family Barbeque later in the summer/fall time frame. Last year we held it in August as a social event and membership drive. And we had participation from all three of the Legion Family members. We did reach our 100% membership this year and picked up a couple more members. Unfortunately, several of them are out of area so they may or may not be able to participate with the Squadron very much.

This year's Department of Florida Son's of the American Legion convention will be held at

the same time as the Legion Convention in the same place. It will be the Renaissance at Sea World for the final year. The dates are Friday through Sunday, June 17th thru 19th and the agenda is located at: <http://www.floridalegion.org/news-events/department-convention/event-agendas/>.

We want to get together in person and on line after the 1st of July to begin talking about the coming 2016-2017 year and the goals of the Sons of the American Legion in general. Even though we are small, there is a good possibility that we can do quite a bit for the Legion Family here at #112. And, distance is not an issue in participation as we have the conference bridge for those who are not in the local area at meeting times.

And, don't forget, the meetings are currently at 6 p.m. on the Monday, one week before the Second Tuesday of the month. While this is normally the first Monday of the month, there are several months where it is actually the last Monday of the preceding month. If you wish to call or log in, contact me in advance of the meeting for the information.

Commander's Minute

with supporting both veterans and our current service personnel. THE BEST WAY IS TO VOTE and let your voice be HEARD both by volume and action. The American Legion is a nonparticipating view but those individuals both in local, state and federal governments need to HEAR YOU. The truth is the SQUEAKY WHEEL GETS THE GREASE, is not just a saying, but when a vote is taken it gets action.

Just a thought what is everyone fly's the AMERICAN FLAG on FLAG DAY JUNE 14, 2016,

what if we FLY the COLORS every day. What if we show our support for our country in our homes, neighborhoods, schools, worship centers, workplace and on the street. The US Constitution and the Amendments needs to be read by everyone to understand that we are here because of what we were willing to FIGHT FOR. I noticed a person on a street corner holding up a sign stating: "Homeless Veteran, out of work" but yet he refuses to come to the post for help. As always we need to remember that we need to help those who

help themselves, that is why we have service officers and other ways to help. If you need assistance please contact us and we will direct you to get help.

Thank you for allowing me to be available to help each of you, if you are sick or help please call the post and let us know. You are part of a great organization that is working for your benefit both local, state and nationally.

FOR GOD AND COUNTRY
Billy Dover Jr., Commander

Notes from the Adjutant's Desk cont'd from Page 3

Don't forget, you can access the WEB page at <http://www.wpflpost112.org> to see the latest calendar, read newsletters going back several years (we have them archived), or access many other things regarding the Post and the Legion.

Our May meeting, May 10th, will have our annual election of officers. Nominations were held at the April meeting and the present officers consented to return for another year. The April meeting was the time to "run" for office, if a member wanted to. AND, there will be a memorial service for our members who have passed away over the last months. Please try to attend to pay your respects to our fellow veterans.

Finally, the 2016 Department of Florida American Legion Convention will be held at the Renaissance Hotel at SeaWorld on Thursday through Sunday, June 16th to 19th, 2016! There is no cost to attend the convention and even parking is free! You can check out the tentative agendas on the Legion's WEB site at <http://www.floridalegion.org/news-events/department-convention/event-agendas/> where you can see not only the Legion's but also the Auxiliary's and the Son's proposed agendas. If you are interested in being a delegate or alternate to the voting portion of the convention, please let me know as I am preparing the roster.

We are asking the 6th District to schedule our installation of Officers at our July meeting so that we can get the "new year" started.

Boys State—Ted Costello

All of the boys that we selected including alternates have registered, the next required meeting is the Sixth District Orientation which takes place on Saturday May 21, 2016 at Post 286 in Pinecastle at 9:00 AM to 11:00 AM. This meeting will outline the Boys State Program and will answer any and all questions that the boys and their parents might have. Most important are

the departure times to Boys State in Tallahassee and the return time home. I am still hopeful that our alternates will be picked-up by another post.

For those of you not present at the last post meeting, I will not be able to attend the orientation and would like a volunteer to be there to support the boys and parents. If you would like to

attend, please contact Commander Dover or Vice Commander Dress, I would appreciate some help. Thanks!

Ted Costello,
Boys State Chairman
